

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is an abrogation of journalistic standards and a threat to ur democracy.

Media control of public flow of information, especially political information, is extremely sensitive. If the media is controlling that information to favor a candidate, it becomes nothing more than a polit bureau. This type of behavior is much more dangerous and way more offensive than a momentary glimpse of Janet Jackson during the Superbowl.

If anyone should be fined, it whould be Sinclair. Furthermore, unless they are willing to cease this partison behavior in abuse of the public airwaves, they do not deserve to habe their license renewed. Thank you.
